Re: Committee Number C00498907; July Quarterly Report

To Whom It May Concern:

This letter is in response to the Commission's request for information dated December 14, 2012. The commission requested further information regarding the following items on our July Quarterly Report.

1. Schedule A discloses contributions from Sydney Investments, LLC. Sydney Investments is an LLC treated as a partnership for tax purposes. Partnership allocation, as directed by the LLC, was disclosed on the original report. Please note all contributions from LLC's are verified, in writing, at the time of receipt and only those contributions meeting the qualifications of 11 CFR 110.1(g) are retained.
2. Schedule A discloses a contribution from an individual, Mark Levine, whose mailing address is outside of the United States. Mr. Levine is a U.S. citizen and not a foreign national and therefore the contribution is permissible under 11 CFR 110.20. Mr. Levine's contribution was received through the 2012 Senate Win Committee, a joint fundraising committee with whom we are affiliated. Original solicitation documents contained clear disclosures outlining citizenship requirements and upon receipt of the contribution our committee followed up with the 2012 Senate Win Committee who verified that Mr. Levine is in fact a citizen.

Please feel free to contact the Committee if there are further questions.

Sincerely,

Robert B. Evnen  
Treasurer
